

Special issue on Recent OR Studies and Applications in China

Any related papers will be invited to submit their full versions to be considered for publication in the *International Journal of Operations Research (IJOR)*. Also, the authors are welcome to submit their full versions to the Guest Editors after they submit their conference papers.

Papers should be original, unpublished, and not currently under consideration for publication elsewhere, and should be prepared according to the instructions to authors that can be found at the journal homepage <http://www.orstw.org.tw>. Authors are required to send their submissions in electronic form (preferably a PDF file). There should be a separate title page giving the name and addresses of the authors. Any references that reveal the identity of the authors should be removed.

The manuscript should be emailed to one of the following Guest Editors.
